## Perfect People Mini-Blog

If you don't see new blog posts, that doesn't mean we're not updating stuff - it means we're **too** busy updating stuff.

### Free Magazines and Brain Exercise Sites 12/01/10

We highly recommend that if you like [Wedding Magazines](#) try the wide selection of free wedding magazines at all-freemagazines.com. If you enjoy brain teasers, [Brain Games](#) and [Memory Test](#) try these great cognitive brain exercise sites at brainist.com and brainmetrix.com.

### SuperUSERS > Auto-Resize Images 12/01/10

We've added a new SuperUSER feature - Now you can turn on our "Auto-Justify" mechanism. Doing this will auto-resize ALL images so that they fit your browser window. No more having to click on any resize buttons - we'll do it for you.

### Great TV Offers 12/01/10

[DirecTV Channels](#) \$180.00 every 6 month(s)

### Surprising change in viewing habits 12/01/10

With the addition of videos to celebrity homepages, the average Perfect People visitor now spends about four times as long browsing the site. We examined why and it made sense when we found SNL skits, workout videos, red carpet and oscar snippets, outtakes and other revealing videos on our various celebrity pages.

### Create Your Own Celebrity Page! 12/01/10

Now you can have your own celebrity page to publicize yourself on PerfectPeople.net. [Click Here to find out!](#)

### Sexy Image Resizing 12/01/10

Although we assume most users already know - 'Did you know you can resize all the images on Perfect People with simple keystrokes and/or clicks?' That's right! We've tweaked the little box in the image details. This lets you either press the keys on your keyboard or click on the links themselves to either enlarge, shrink, or justify any image. Justifying means equating it to your browser window - this can be used to enlarge small images so you can get every little detail, or shrink massive images where all you see is a shoe.

### Community Improvements 12/01/10

Now, we're not trying to coerce you into communicating or getting involved in social drama here - but we do want you to have a unique identity here at Perfect People, and that's why we've now re-enabled your PerfectSpaces. You can check it out to keep track of your favorite celebrities, ALL the images you have ever uploaded to the site, friends and more. More improvements coming your way!
